Trail Course of Beopjusa District and Hwabuk District

Munjangdae Course

Intermediate

Round-Trip: 14.6km, 6.5 hours

Standing on the Munjangdae Peak, 1,054m above sea level, you can appreciate the majesty of Mt. Songnisan at a glance. Munjangdae is also called Unjangdae because its peak rises high in the sky, conjuring magnificent landscapes that the peak contacts with white clouds.
Especially, if you visited Mt. Songnisan for the first time, this is the most recommended course.

Start ▶ Beopjusa Park Information Center ▶ Sesimjeong Resting Place ▶ Munjangdae Peak ▶ Sesimjeong Resting Place ▶ Beopjusa Park Information Center

Cheonwangbong Course

Intermediate Advanced

Round Trip: 14km, 6.5 hours

It is a course to climb Cheonwangbong Peak (1,058m), the highest peak of Mt. Songnisan.
While hiking, you can encounter beautiful scenery such as Baeseokdae Peak and Eunpokdong Waterfall. When you reach the top, you can enjoy the beautiful scenery of Baekdudaegan, which runs from Munjangdae Peak to Cheonwangbong Peak.
